STOCKHOLM (Sweden)

- **ABBA The Museum** is a Swedish interactive exhibition about the pop band ABBA opened in Stockholm, Sweden in May 2013. It's one of Sweden's newest and most popular tourist destinations.
- **Gamla Stan** is the city's old town, with cobbled streets and colorful 17th- and 18th-century buildings. It's home to the medieval Storkyrkan cathedral and the Royal Palace, the king's official residence.
- **The Stockholm City Hall** - It is the most magnificent and historic municipal building in Sweden. It is located on the shore of Lake Malaren, revealing the poetic and picturesque flavor of traditional Nordic architecture. It is the most magnificent building of Regal, is one of Sweden's most famous buildings, and one of the capital's most visited tourist attractions. It houses offices for 200 people including the Municipal Council, and is also famous for its grand ceremonial halls and unique art pieces.

ABISKO (Sweden)

- **Icehotel 365** is the world's first incredible hotel designed made of ice and snow to be open throughout the year and delivers an ice experience on 2,100 square feet with 20 suites, ice bar and ice gallery – all run-on solar power.
- **Abisko National Park** is a classic region in the heart of Lapland's alpine world, known for its stunning natural scenery and diverse Nordic wildlife. Majestic mountains frame the beautiful Abiskodalen valley with its flowering alpine meadows, picturesque rapids and Scandinavia's largest alpine lake
- **Aurora Borealis Hunting** - The Aurora Borealis is a beautiful and mysterious natural phenomenon that occurs when solar winds interact with the Earth's magnetic field, causing high-energy electrons and ions to enter the Earth's atmosphere and collide with gas molecules, releasing energy and producing brilliant lights. The best season to hunt for the Northern Lights is from Sep till Apr with the most frequent sightings occurring between 6pm to 1am.

The opportunity to witness this visual wonder of nature, it is subjected on weather conditions such as solar activity, cloud cover and other factors and cannot be guaranteed. However, sighting is not confined to this schedule as the "dancing green lights" may show up randomly during your stay in Lapland.

SORTLAND (Norway)

- **Sami Historical Museum** - It shows the development and changes of the nature and culture of Northern Norway from the snow age to the present, showing the Sami culture of various periods according to the archaeological artifacts on display.
- **Sami Culture Village** - The Sami culture is the oldest Aboriginal culture in Northern Europe with its own unique traditions and language, known as the last natives of Europe. Let's us to have a unique experience of pure and authentic local Sami culture.
- **Reindeer Farm** - Reindeer are an important source of food and means of transportation for the Sami people. With around 200 reindeer on the farm, you have the opportunity to know more about these arctic animals and even feed them some of their favorite snacks.
